## **NEW THIS WEEK!**

**It's another great week of New Comics & Stuff, topped off by the previously mentioned ACTION FIGURE KINGDOM #10, and then pretty much dominated by DC thanks to new issues of popular titles like BATMAN, NIGHTWING, BATMAN / TMNT II, SUPERMAN, SUPER SONS, and JUSTICE LEAGUE, along with the new DAMAGE #1 — the first issue in DC's "New Age of Heroes" line of titles (with a pretty cool, first**

**time ever, triple vertical gatefold cover). Meanwhile Marvel contributes the new STAR WARS #42, MIGHTY THOR #703, and AVENGERS #676 (which continues the new, weekly AVENGERS "No Surrender" initiative), and Image delivers both the new KILL OR BE KILLED #15, and the KILL OR BE KILLED Volume THREE Graphic Novel (both Big-Time FUNNYBOOKS FAVORITES). It's really awesome that you can purchase and read the graphic novel, and then pick up the very next issue, both at the same time. Thank you Ed Brubaker, Sean Phillips, and Image, Comics for showing other publishers how things should be done!**

**A SITCOMICS EXCLUSIVE!**

**You still have time to stop by for your FREE, SITCOMICS catalogue (available at the FUNNYBOOKS' front counter) which features a new line of comics straight from Hollywood, and available only at select comic book stores across the United States (including only THREE stores in Jersey!). Look for some BIG and EXCITING, SITCOMICS news at various Comic Book news outlets next week, and then get your order forms in by next week's NEW COMIC DAY (January 23<sup>rd</sup>). Remember... only those who preorder these comics will get them, so if you want to get in on the ground floor of something new and cool, try SITCOMICS!**

***That's all for now! See you at FUNNYBOOKS! - Funny Steve!***
